## 1. Introduction

- 1.1 **Red Dragon First Aid** is committed to providing services that embrace diversity, promote equality of opportunity and assessments that are based on requirements only and do not discriminate against anyone.
- 1.2 The purpose of this policy is to explicitly state how this commitment and current legislations are to be applied by this Centre to first aid training courses, qualifications and assessment practices.
- 1.3 **Red Dragon First Aid** will advise all candidates where to find the current version of this policy via its website [www.red-dragon-first-aid.co.uk](http://www.red-dragon-first-aid.co.uk) Candidates may request a paper version.
- 1.4 This policy covers 3 broad areas:
- a) **Equality** is where people are treated fairly and given an equal opportunity. It is not about treating everyone in the same way, but recognises that needs can be met in different ways. Equality focuses on those areas covered by the law, namely the key areas of race, gender, disability, religion or belief, sexual orientation and age. Legislation seeks to prevent discrimination in all these areas. This Centre believes we all have a duty to promote equality and remove discrimination in race, gender and disability. We do this by analysing statistical data and candidate/stakeholder feedback. We support **ITC First** Awarding Organisation to analyse candidate data.
  - b) **Diversity** is about recognising, valuing and managing individual differences to enable everyone to contribute in their own way feeling comfortable with and understanding various needs.
  - c) **Equal Opportunity** is about providing good practice guidance relating to candidates who are eligible for reasonable adjustments in activities and assessments or who require special considerations.

## 1.5 Scope of this policy

This policy will be applied to all training courses and qualifications offered by this Centre.
